

## LSR Youth Award Sample

### Youth Nominee Biography

2017

The Texas Western Model Railroad Club would like to nominate John Doe for the annual NMRA youth scholarship . John, the son of one of our members , Bill Doe, joined the Texas Western in 2017 after working for several years in Z scale.

He joined the TWMRC in the club's youth program with the objective of learning operations and HO scale modeling . John actively participates in operating sessions , equipment maintenance , and layout maintenance events . During a recent annual car maintenance session , John watched experienced model railroaders adjust trucks , couplers, and weight. Soon he was sitting beside them as one of the team, performing equipment maintenance and having fun.

Recently he expressed a new interest in building craftsman structures after seeing the structures on the layout. His first structure task will be the construction of the Blairline wooden house kit for the Houston Harbor area.

**Nominee Bio required for Board before they vote**
